Information on individual data requests prepared by the CSB which are not part of the Official Statistics Programme and are based on personal or enterprise data

2024

Topic	Linked data sources	Type of data provided to data users	Note
Higher education graduate tracking	Personal data: IZM VIIS higher education graduates (certain periods)–higher education institution, study programme, level of education, VID–income, PMLP–residence permits, age, sex, CSB–population estimate (region, ATVK), IZM VIIS–students, SUR–companies established, shareholdings, CSB TS–activity status of population, occupation, main kind of economic activity	Summary tables, Anonymised database (for researchers)	Recipient–EM, IZM; Regular request
Vocational education graduate tracking	Personal data: IZM VIIS vocational education graduates (certain periods)–vocational education institution, study programme, level of education, VID–income, PMLP–residence permits, age, sex, CSB–population estimate (region, ATVK), IZM VIIS–students, SUR–companies established, shareholdings, CSB TS–activity status of population, occupation, main kind of economic activity	Summary tables, Anonymised database (for researchers)	Recipient–EM, IZM; Regular request
Adult learning graduate tracking	Personal data: VIAA, NVA, CFLA annual data on adult learning, PMLP–sex, age, CSB TS–activity status of population, occupation, main kind of economic activity, CSB TS–educational attainment, VID–income, CSB–population estimate	Anonymised database (for researchers)	Recipient–EM; Regular request (started in 2023)
Low-income beneficiaries	Personal data: VID–income, PMLP–sex, year of birth, citizenship, place of residence,	Summary tables	Recipient –VID; Single request

	CSB–population estimate, CSB TS–activity status of population, occupation, main kind of economic activity, educational attainment, IZM VIIS–data on students, NVA, CSDD, ownership data, UGF, SOPA, VSAA		
Preparation of administrative data for HFCS	Personal data: VID; CSDD; VSAA data were prepared additionally; SUR; VZD NĪVKIS–real estate data (land, building and dwelling) the purpose of the property, cadastral designation, cadastral value, floor space, year of construction and commissioning, heating types and fuels.	Anonymised database	Recipient–Latvijas Banka; Triennial request
Data for the LEA Export Barometer	Enterprise data: VID data on taxes paid by enterprises; Annual data on exports of goods and services; Quarterly data on export of services; Annual reports data on financial indicators from the Register of Enterprises	Summary tables (data by export group (goods, services, small, medium, large) and sector (NACE)).	Recipient–RedJackets; Regular request (In 2024 prepared in May, September)
Request for registries data from VKK	Personal data: VSAA data on social insurance services and state social benefits (2014–2023)	Anonymised database	Recipient–VKK; Single request
	NVA Information System for Record-keeping of Unemployed Persons and Registered Vacancies data (quarterly data, 2014–2024 (first two quarters in 2024), (annual data, 2013–2023).	Anonymised database	
	CSB–population estimate (1 January 2012–1 January 2024)	Anonymised database	
	IZM VIIS–data on centralised exam results	Anonymised database	
Sick leave certificate A	Personal data: NVD–sick leave certificate, date, disease case identifier, number of days of sick leave, number of working days of sick leave; PMLP–year of birth, sex, parents, address code, ATVK; VID–estimated average salary, place of work, occupation, main kind of economic activity; SUR–data on business sector	Anonymised database	Recipient–EM; Single request

Employment of foreign students (EU nationals (not including LV) and persons with residence permits)	Personal data: IZM VIIS data on students–higher education institution, study programme, level of education; PMLP–sex, year of birth, citizenship, type of citizenship, address; VID–employment, occupation, main kind of economic activity; SUR–business sector; CSB–data.stat.gov table on average wages in the sector (summary data from the survey); CSB–classification, region, name of the region; CSB VARIS–code of administrative territory	Summary tables, Anonymised database	Recipient–VIAA; Single request
Higher education graduates (2021–2023) EU nationals (not including LV) and with residence permits	Personal data: PMLP–sex, year of birth, citizenship, residence permits, municipality of residence; IZM VIIS data on higher education graduates–study programme, higher education institution; CSB TS–activity status of population, occupation, main kind of economic activity; VID–income	Summary tables	Recipient–VIAA, IZM; Single request (in February 2024 prepared for the period 2021–2023)
Data for Export & Innovation Award	Enterprise data: SUR–business sector; Turnover per employee; Value added per employee; Profitability–return on assets; Total R&D expenditure; Annual data on exports of goods and services.	List of TOP companies	Recipient–LIAA. Annual request in September

2023

Topic	Linked data sources	Type of data provided to data users	Note
Persons with residence permit	Personal data: PMLP–residence permits, VID–income data (DDZ), VID data on occupations (ZDN un table *The employees*); SUR–kind of activity (NACE), VSAA–information on employment in the EU.	Summary tables	Recipient–EM; Single request
Higher education graduate tracking	Personal data: IZM VIIS higher education graduates (certain periods)–higher education institution, study programme, level of education,	Summary tables, Anonymised database (for researchers)	Recipient–EM, IZM; Regular request

	VID–income, PMLP–residence permits, age, sex, CSB–population estimate (region, ATVK), IZM VIIS–students, SUR–companies established, shareholdings, CSB TS–activity status of population, occupation, main kind of economic activity		
Vocational education graduate tracking	Personal data: IZM VIIS vocational education graduates (certain periods)–vocational education institution, study programme, level of education, VID–income, PMLP–residence permits, age, sex, CSB–population estimate (region, ATVK), IZM VIIS–students, SUR–companies established, shareholdings, CSB TS–activity status of population, occupation, main kind of economic activity	Summary tables, Anonymised database (for researchers)	Recipient–EM, IZM; Regular request
Adult learning graduate tracking	Personal data: VIAA, NVA, CFLA–annual data on adult learning, PMLP–sex, age, CSB TS–activity status of population, occupation, main kind of economic activity, educational attainment, VID–income, CSB–population estimate	Anonymised database (for researchers)	Recipient–EM; Regular request (started in 2023)
Income of occupations related to education	Personal data: VID–occupation and income data calculation (min, max, median income for the occupation)	Summary tables	Recipient–EM; Single request
Affordability of housing	Housing DB 2021 (Census data on housing–floor space, amenities, ownership, year of construction, number of dwellings); VZD NĪVKIS–ownership data; PMLP–sex, age, address code, rural territory, municipality, region; IZM VIIS–learners; VID–income; CSB TS–activity status of population, educational attainment; SOPA–data on poor or disadvantaged persons	Anonymised database (for researchers)	Recipient–EM; Single request
Data for Export & Innovation Award	Enterprise data: SUR–business sector;	List of TOP companies	Recipient–LIAA.

	Turnover per employee; Value added per employee; Profitability–return on assets; Total R&D expenditure; Annual data on exports of goods and services.		Annual request in September
Preparation of data for the *OECD SMEs scale-up* project on high-growth small and medium-sized enterprises	Criteria and indicators defined by the project promoters (enterprises, financial indicators, trade flows, employees) for the period 2010–2021	Anonymised microdata	Recipient–OECD

2022

Topic	Linked data sources	Type of data provided to data users	Note
In accordance with Paragraph 45.2 of the Cabinet Regulation No 360 of 9 June 2020 *Epidemiological safety measures to limit the spread of Covid-19 infection*, the CSB links the SPKC data on Covid-19 patients and the NVD data on vaccinated patients with the registry information.	Personal data: SPKC–sick persons; VID–place of work, occupation; PMLP–person's place of residence, relationship, age; NVA–unemployed; VSAA–data on retirement; SUR–data on business sector, location of the place of work (ATVK); IZM–data on whether the person was a teacher, academic staff or student. NVD vaccinated persons; PMLP–person's place of residence, age; NVA –unemployed; VSAA–data on retirement; IZM–data on whether the person was a teacher, academic staff or student; VID place of work, occupation; SUR–business sector data, location of the place of work (ATVK).	Anonymised database	Recipient–EM, PKC; Weekly request (project is finished)
Higher education graduate tracking	Personal data: IZM VIIS higher education graduates (certain periods)–higher education institution, study programme, level of education, VID–income, PMLP–residence permits, age, sex, CSB–population estimate (region, ATVK), IZM VIIS–students, SUR–companies established, shareholdings,	Summary tables, Anonymised database (for researchers)	Recipient–EM, IZM; Regular request

	CSB TS–activity status of population, occupation, main kind of economic activity		
Vocational education graduate tracking	Personal data: IZM VIIS vocational education graduates (certain periods)–vocational education institution, study programme, level of education, VID–income, PMLP–residence permits, age, sex, CSB–population estimate (region, ATVK), IZM VIIS–students, SUR–companies established, shareholdings, CSB TS–activity status of population, occupation, main kind of economic activity	Summary tables, Anonymised database (for researchers)	Recipient–EM, IZM; Regular request
Data for Export & Innovation Award	Enterprise data: SUR–business sector; Turnover per employee; Value added per employee; Profitability–return on assets; Total R&D expenditure; Annual data on exports of goods and services.	List of TOP companies	Recipient–LIAA. Annual request in September

ATVK–Classification of Administrative Territories and Territorial Units
CFLA–Central Finance and Contracting Agency
CSB TS–Annual census data and cumulative databases of the Central Statistical Bureau
EM–Ministry of Economics
